

Oath for Master Trainer of Animal Health Workers

In the name of ALMIGHTY GOD.

I will always work hard to gather more knowledge and skills so as to do my job efficiently.

To the best of my ability I will impart my trainee all the required knowledge and skills as indicated in National Occupational Standards for Animal Health Workers in India.

I will encourage my trainees to take guidance from veterinarians and follow the rules and regulations of state veterinary department regarding animal disease control, public health and animal husbandry extension.

I will motivate Animal Health Workers trained by me not to use antibiotics on animals without consulting veterinarians.
