SUSTAINABLE DEVELOPMENT GOALS

Let's Talk About
The Issues

Control on non-state actors

Harmonized classification of occupational categories

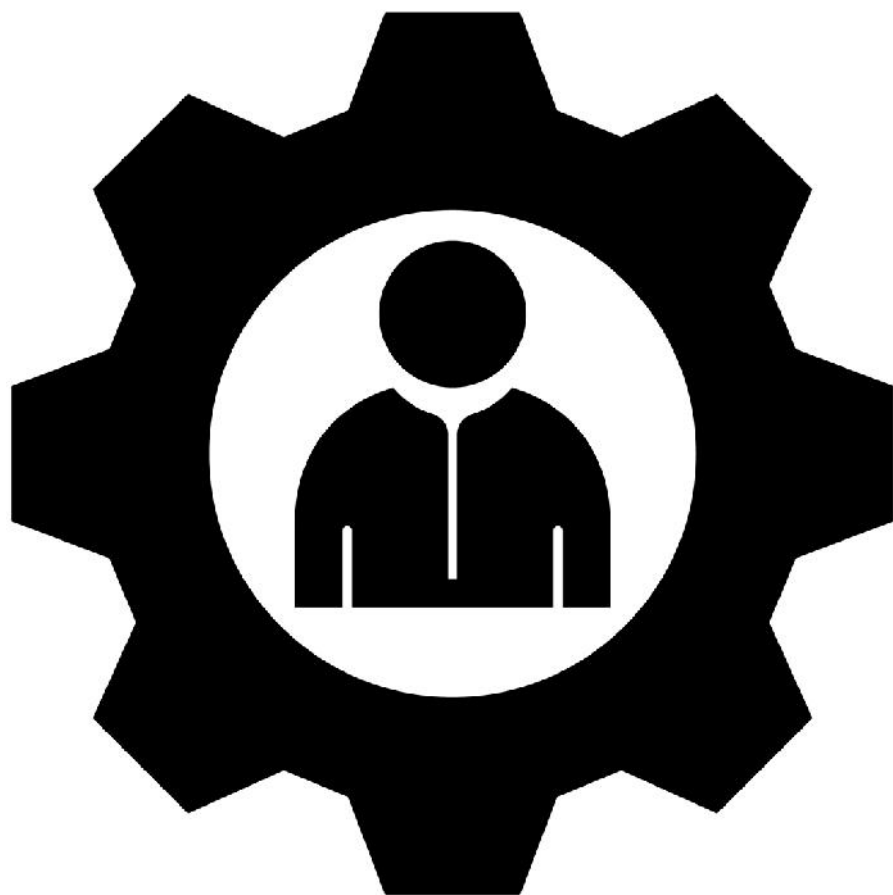

Inter-state / inter country mobility.

Occupational recognition, classification, status and privileges.

Education and skill training

Work Environment

- ✓ Supervision and guidance
- ✓ Clear job profile, command structure and growth path.
- ✓ Responsibility and Legal protection.
- ✓ On job or continuous learning
- ✓ Dignity and incentives
- ✓ Occupational Safety

Will registration under a statutory body of any help?

It will give 'recognition' , 'dignity' and 'legal protection' but are we ready for responsible & accountable actions and adherence to work procedures under set guidelines?

Should we form a national association to enlighten policy initiators to the issues and seek their help for solutions?

Animal Husbandry and Veterinary is a state subject and more decentralization is expected in the years to come. It is possible to form a coordination body of state associations initially to engage with national and global actors.
